This immaculate home in Sovereign Park Estate is all class, offering all the comforts of modern time, with a few extra luxuries. The realisation of space is evident when you walk through the front door, as you're greeted by the elevated ceiling entrance with the media room off to the left. The open plan design incorporating the kitchen, dining and living rooms can only be described in one way: breath taking. The quality of the kitchen is apparent with the bold tap ware and lighting complimenting the stainless steel appliances. The kitchen overlooks the large tiled outdoor entertaining area where privacy has been considered.

Shift to the 4 bedrooms now where the emphasis on space continues. Three very spacious bedrooms feature mirrored built-in robes while the master bedroom houses an elegant ensuite and walk-in-robe. Floor to ceiling tiles feature in both the ensuite and main bathroom. Ample storage space, including two walk-in linen cupboards and zoned ducted air conditioning are more of the many features this home has to offer. There's also a double bay garage with power and side access all situated on an 809m2 block.
